Introduction to Pistol Shooting Sports for Women

May 8th 2010 / June 19th 2010 / July 10th 2010

This is a non-competitive event designed to introduce women who have already attended one of our other women's events, the NRA FIRST Steps Pistol, or the NRA Basic Pistol courses to different pistol shooting sports with proper instruction and focused on learning safety, additional practical handling and shooting skills with pistols, and having fun in a social shooting environment. You will receive one on one instruction and coaching from NRA Certified Firearms Instructors. This program addresses the most common question from women who have participated in our other events or courses – what can I do next to get better and more confident with a pistol?

**National Rifle Association
Certified Firearms Instructors**

Maximum of 8 Participants

Program Goals:

- To teach the basics of several pistol shooting sports through additional hands-on experience and to identify opportunities for women to further participate in those shooting sports to increase their skills and confidence.
- To provide women who have already purchased pistols or are considering purchasing a pistol and have already completed introductory instruction in pistol shooting with additional opportunity to gain experience and learn in a fun, relaxed social environment.

Each event will begin at 9:00am with a required range brief / safety instructional session and overview of the rules and procedures of each of the shooting sports beginning presented. Hands-on participation in those shooting sports will follow until 12 noon. Additional ammunition for rented pistols will be available for purchase should initial supply be consumed prior to the end of the event. Women providing their own pistol and ammunition are encouraged to bring extra ammunition. Eye and ear protection will be provided if the participant does not have their own.
