## Introduction to Shotgun Shooting Sports for Women

**May 15<sup>th</sup> 2010 / June 26<sup>th</sup> 2010 / July 17<sup>th</sup> 2010**

This is a non-competitive event designed to introduce women who have already attended one of our other women's events, the NRA FIRST Steps Pistol, or the NRA Basic Shotgun courses to different shotgun shooting sports with proper instruction and focused on learning safety, additional practical handling and shooting skills with shotguns, and having fun in a social shooting environment. You will receive one on one instruction and coaching from NRA Certified Firearms Instructors. This program addresses the most common question from women who have participated in our other events or courses – what can I do next to get better and more confident with a shotgun?

<b>If you already own your own shotgun:</b>	<b>If you do not own a shotgun:</b>
<ul style="list-style-type: none"> <li>You can participate in this event using your own shotgun and ammunition for a \$10.00 event fee.</li> </ul>	<ul style="list-style-type: none"> <li>You can rent one of our shotguns and use the ammunition provided for a \$25.00 event fee.</li> </ul>

**Program Goals:**

- To teach the basics of trap shooting through additional hands-on experience and to identify opportunities for women to further participate in those shooting sports to increase their skills and confidence.
- To provide women who have already purchased a shotgun or are considering purchasing a shotgun and have already completed introductory instruction in shotgun shooting with the additional opportunity to gain experience and learn in a fun, relaxed social environment.

**National Rifle Association  
Certified Firearms Instructors**

**Maximum of 8 Participants**

Each event will begin at 9:00am with a required range brief / safety instructional session and overview of the rules and procedures of each of the shooting sports beginning presented. Hands-on participation in those shooting sports will follow until 12 noon. Additional ammunition for rented firearms will be available for purchase should initial supply be consumed prior to the end of the event. Women providing their own firearm and ammunition are encouraged to bring extra ammunition. Eye and ear protection will be provided if the participant does not have their own.
